About our Workshops

No commercial or for-profit sponsors; No speaker will receive attendees' name, address or phone number; No financial or insurance product will be sold; No charity will solicit you for a donation.

It's Your Money

The "It's Your Money!" sessions cover the business of money; 12 hours of objective education over an 8 week period. Our instructors are local FEE ONLY financial advisors who all act in a fiduciary capacity with their clients. None of our speakers are licensed to sell any financial products. You will learn how they charge and the steps you need to take on your financial plan with or without a professional.

It's Your Estate

The "It's Your Estate!" sessions cover all the legal documents you will need to set up an estate plan using a variety of local Orange County estate planning attorneys as instructors. We provide 12 hours of objective education over an 8 week period, 1 ½ hours per week. Each attorney explains their fees in detail and they do not receive your contact information.

FEELinControl.org

Mission

To prevent financial abuse by educating seniors to take control of their financial, estate, and charitable giving decisions.

Purpose

*We are a not-for-profit community resource, filled with financial and estate planning education that, at all times, will focus on what is **in your best interest**. We encourage tax-wise charitable giving that reflect your core values.*

Origin

Peter Kote, founder of the workshop series and former planned giving director, started with a simple idea 20 plus years ago: if people knew more about money and estate planning, a greater percentage of individuals would be willing to make a planned gift.

After teaching the program to faculty members at Long Beach State University, Peter recognized the overwhelming need for unbiased financial planning education. Since its fruition, the workshops have grown in size and popularity. Peter won the Financial Planning Association's "Heart of Financial Planning Distinguished Service Award" for the Orange County workshops. As of October 2012 the workshop series has officially incorporated as a nonprofit.
